

THE TRINITY

THE MYSTERY OF GOD Trinity (1 *God* in 3 *Persons*)

As the Catechism of the Catholic Church reminds us, the Trinity is a mystery of faith; one of the mysteries hidden in God, which can never be known unless [it is] revealed by God. (CCC 237)

It is inaccessible by human intellect and reason alone.

Come to this evening's presentation for a PowerPoint Presentation and discussion; as we gather together to hear God's revelation to us.
